

UPDATE FROM THE BOTCHWAYS

December 2022

THANK YOU

Dear friends and family,

“Glory to God in the highest, and on earth peace, to those on whom his favor rest.” May the peace of God as announced by the angels in this season of Christmas be yours.

A lot has been going on since our last update. It’s been so refreshing for the engagement with leaders in the last couple of weeks discipling and mentoring believers to rise up and make a difference in their world.

On 28th October 2022, we had a seminar and a mentoring training session with a Church in Abeka Lapaz, a Suburb of Accra. The name of the Church is Gospel Ambassadors Church. I met this pastor in Florida in the United States before the Covid

19 pandemic. We talked, and it became apparent that he needed some help in his Church. We lost touch, but after a couple of months have gone by, he called me and asked if we could have a training session with some of his Churches in a certain district of the city. We had a two- day Seminar with them. We had one meeting on the Friday evening of October 28th 2022 and continued on the 29th on Saturday morning.

This is what some of the Pastors said, *“it is always a joy to have you come because there is always a lot to learn”*

Thank you for your prayers and partnership that makes it possible to fulfil this God given assignment.

Also, on November 14th, 2022 we had a Conference which was well attended. It was held in a small town called Aboaso, in the Ashanti Region of Ghana. We were expecting about 60 people but exceeded the number to 71. The people were encouraged in the Lord. After the meeting most of the people lined up for me and project Coordinator to pray for them. The children who came with their parents to the meeting also lined up to be prayed for. It was a tiring experience but was worth it.

Prayer Needs:

- Prayer for Wisdom and discernment as we connect with pastors and leaders
- Safety and protection as we travel on our roads
- For our financial partners to increase
- To walk in step with the Spirit
