

A smile for HOPE

December 2022

Greetings to you,

It's with much joy to bring you up to date on the amazing work through our mission outreach here in the Kibera slum. As populated as it is Kibera slum, the largest in Africa is surrounded by so many challenges and difficulties. Which have rendered many in a state of hopelessness.

Praise God! Through the noble program and outreaches through the Youngsters for Christ team, God has provided hope in hopeless circumstances for so many through our outreach programs and activities. Which have changed and touched countless lives and reached many with the Gospel of Christ Jesus.

We want to appreciate and thank God for the timely gift that was received in support of our children's outreach and feeding programs. Which has really been a Godly sent gift in this season of Christmas and has brought joy into the hearts of so many children with surprise gifts. This was simply made possible through those who sacrificed and attended the marathon which contributed to the outcome of the donation that brought this great impact to children and families in Kibera.

Through the donation:

- The gift was a blessing because it brought joy to over 84 children who, for the first time wore a shoe. This was made possible by the amazing souls that run the marathon and raised these donations.

- Those who attended JAM, we believe all ran in their shoes as a sacrifice and determination to finish the run. You made it possible for YCT to help children who have never worn shoes in their lifetime to have their own shoes. THANK YOU for the sacrifice you made.

- Our children's feeding program was able to bring over 246 children into our ministry building and they had time to sing together, recite memory

verses and hear the storyteller about the Nazareth adventure that ushered in Jesus. Also, they shared a meal.

- From the same gift we were able to purchase food (beans, cooking oil, rice) and some sanitary towels which were placed together and we were able to visit specific homes in more than 10 villages. In total, we reached 134 families with the gift of a meal. We are thankful for your sacrifice so that impoverished and hurting families could taste a meal through your heart and love for Jesus.

It's amazing how God works with this donation it brought tears to some families because many had been affected by the drought. On behalf of the youngsters for Christ team and the leadership, we want to say a big thank you for making it possible for this to happen.

We salute the givers and donors, God bless you.
