**Impact story**

Last year in August, we distributed two goats for two young men; Mr. Pradip Sunar and Mr. Jit B Pariyar. Mr. Jit B got a goat which was already pregnant and gave birth to a baby goat. Now, this baby goat is growing so well.

“Now it is my turn to love my neighbor in need by giving this baby goat to him”. He is going to give this baby goat to his neighbor who is in real need. This helps our program to be more sustainable. And it is a blessing that who once was a poor recipient, now has become a giver who is able to help others in the community.

**Impact story II**

Mr. Pradip Sunar received goat which also was pregnant and gave birth to two baby goats. After 8 months, last month he sold one baby goat in 9000 Nepali Rupees and gave 900 tithe to the church.

“When I gave tithe to the church by selling a baby goat, I felt peace in my heart” Mr. Pradip said. Giving indeed is receiving, receiving blessings that comes from Christ. In addition, he can also purchase lactogen milk for his new born Son Ayub.
