

RVOBUSA – March 2023

Larry & Susan

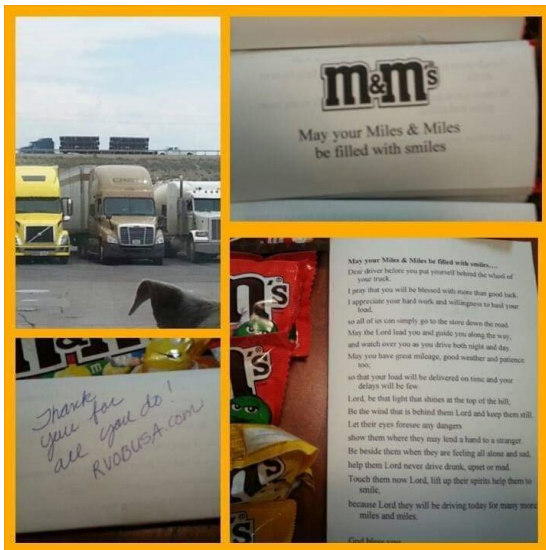

Happy 10th Anniversary to RVOBUSA, we started this Christ Driven Ministry journey on March 28th, 2013. Our first stop was at Tower's Campground in South Dakota. The first place we knelt down and prayed was at Mount Rushmore.

We have driven over 60, 000 miles in our Motorhome since then. We have knelt down and prayed in all 50 states praying over each state and for our country to return to be "One Nation Under God ". We also prayed Chronicles 7:14 "if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. Lord heal our land.

Larry and I have driven through all 48 continental United States in the RV. Every year, we try to go to Washington D.C. to kneel down and pray at our Nation's Capital for our Country, our President and those God has placed in leadership. We also got to go onto the floor of the House of Representatives and sit in the front row and pray. What a blessing!

We have met thousands of people along the way, shared Jesus with many on the mountain tops, in the valleys, in the cities and on the beaches. Wherever God called us to go, we went. We love the worship song... "I Will Follow". It says, "Where you go I'll go, what you say I'll say." We have been north, south, east and west.

We have done "Free PsALM reading, given out packages of M&M's to truckers as a thank you, prayed over and for fellow RVers. Helped the homeless and downtrodden. We hand out "Hope Filled" bags to those in Need.

Larry and I have blessed campground host and campgrounds. We have visited 100s of churches and prayed over pastors who have never had anyone pray over them before. Yet we went to Max Lucado's church and got to lay hands on him and bless him.

We have ministered in New Orleans just sitting on a bench. "We're here to hear you" is a motto of ours. We were able to listen to someone while they shared their heart and God heard him, touched him and healed his heart.

We offered "Free Hugs" in downtown Seattle, Sedona, AZ and other places. That freaked some people out but God's love poured out and people's heart were opened to get a hug and give a hug.

We helped in Myrtle Beach after Hurricane Michael, not knowing one day we would need and get help after Hurricane Irma. Thank you to the hundreds of volunteers who came. We met and have stayed connected with some. Especially Amy. Van and Boaz. We survived another hurricane this year named Ian. We have worked with HEART ministries in disaster relief and uplifting communities.

We now spend winters in Florida where we have the blessing of loving and serving and having fun at Imperial Bonita Estates. We get to love people and love God. We conduct Sunday night church services. Larry and I also assist in the men's and women's bible studies. We have had drive-by dispersion of ashes on Ash Wednesday. For Holy Week we set up a prayer walk, we love that we can bless and love on each person we meet. On Maundy Thursday we have had drive-by communion.

Larry and I have had yearly Service of Remembrance. We have had a few Memorial open houses. In April we will have our first IBE wedding and the first in the park.

On Sunday mornings we serve at The Springs Church in Bonita Springs anyway we can. For the 3rd year we participated in 21 Days of prayer and fasting. We have hosted Chosen outdoor movie night small groups. We also have been part of the Shoreline fishing small group. We love the boat ministry for connecting with people. The Jesus Revolution was shown to the public at a local movie theater where we helped out. We have done Food Drives and Community outreach here in Bonita Springs.

Larry and I are always open to God's leading. We believe in "Right here, right now".

We head back to Minnesota in the summer. When there we connect with our home church, Hosanna, and serve where needed, doing baptisms, funerals, weddings, and counseling. This year we will continue serving at HEART, Community Nights and “Rhythm On the Rails”.

Last season we purchased a mobile home in Bonnevista Mobile Home Park in Shakopee, MN. Last summer we had an "Everybody's Birthday Party" for the children there. HEART brought a semi of toys to distribute. As a result, HEART received their first award from “Toys for Tots” for the special idea. This year they are receiving two semi loads of toys.

In the Spring of 2022 sold our RV. We are still RVOBUSA in our car, golf cart or bikes. We will continue to share God's love anywhere and everywhere we go multiplying the hope and heartbeat of Jesus through irresistible, love, generosity and unity.

Our hearts are full of thanks to God for His faithfulness.

We thank God for all of you who support us financially and prayerfully. We thank Hosanna for their support in sending us as Deployed Pastors. We have been trained, equipped, and sent. We always try to be the hands and feet of Jesus.

We thank GHI for their support and help in the administrative piece of doing ministry. What a blessing to serve the Lord together. We are forever grateful for our family, friends and Facebook friends who are there for us.

Our simple prayer, that comes from our heart.

LORD, LEAD, GUIDE AND PROVIDE IN EVERY WAY EVERY DAY. To God be the Glory for the GREAT THINGS He has done and will do. Amen.

In His service,
Pastors Larry and Susan Fannon
