# ADULAM MINISTRIES

CIUDAD JUÁREZ, CHIHUAHUA, MÉXICO

## ¡Muchas Gracias!

At the end of 2022, we sent a request to our supporters for help in acquiring both a small vehicle for city driving and a 15-passenger van for transporting all of the Adulam kids to activities as well as for our out-of-town mission trips. We will spare you the long details here, but God provided in incredible ways. Over the course of just a few months, two minivans were donated to the ministry, we received funds for the purchase of a 15 passenger van, and a second 15 passenger van ended up being added to the mix as well. The Adulam kids were so excited to take one of the vans on its first long trip to Sinaloa over spring break, where many of them saw the ocean for the first time. *Muchas gracias* for your faithful support. God is good!

# ADULAM NEWS

As we mentioned on the previous page, the Adulam kids had a wonderful spring break, seizing the opportunity to join in on a work week to our mission site in Chinitos, Sinaloa. While Juan, Luis, and others spent several days working on buildings at the site, the kids had a chance to explore a brand new place and relax over the break. We also took a mission team of 19 people down to the mountain town of Baborigame in March. During this time we were able to minister to many children from the town and spend time connecting with the local church. We are grateful for the continued support of those who have made these trips possible, particularly to Baborigame where our Mexico mission trips first began close to 20 years ago.

## Pray for Adulam

- A big work like running a children's home means we are always looking for additional staff to help in many areas. Pray that God would provide in this area.
- In a big city like Juarez, there are many children in need of help. Sometimes this means we maintain a waiting list of kids wanting a spot in the home. Pray for discernment as we make decisions about providing the best possible care for the children in our city.
- Our border region has been in the news recently, although reality often looks different than what is portrayed in the media. Pray for our communities and that we would be able to continue to minister as God has called us to do, even during these uncertain times.
