Current situation of Nepal

This is a season of paddy planting in Nepal. Compare to past years, this year because of less rainfall, most of the land remains still uncultivated.

Church ministry

Grace community church is growing in numbers and in spiritual health as well. In this season before thanksgiving and Christmas, we are focusing on discipleship that includes; a) morning prayer, house fellowship, bible study and evangelism. I was also privileged to officiate the baptism of 13 people during my visit to far west Nepal. Here are some photos.

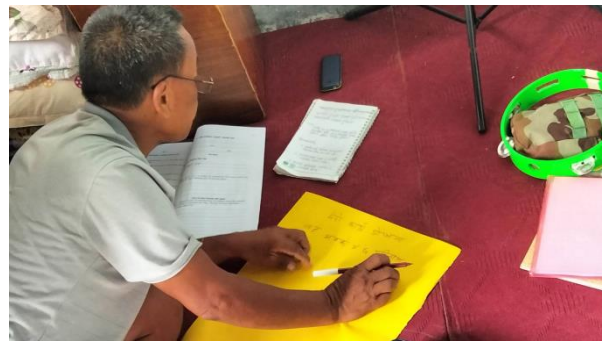

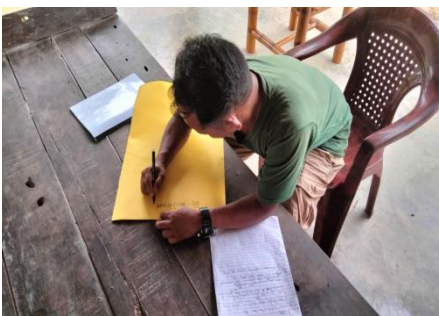

After school.

Grace Community church aims to reach out the neighboring children through After School program. Everyday 10 children are coming to Church. They do their homework, learn gospel song and other activities. Mr. Ajay and Mr. Ravin are guiding them. Also, it is great joy to see Mr. Ajay and Mr. Dillip, both have passed their school level examination called SEE. Here are some photos.

Leadership Training

From 15th May to 18th May we conducted a Timothy Leadership Training. 16 participants took the training including 13 pastors and leaders. The training was about biblical preaching, focusing on vertical and horizontal preaching.
