

MENTOR A MENTOR

We have exciting news...

We Are Expanding!

Mentor a Mentor is incredibly excited to share the news of our expansion: this July, Cara Daza joined Mentor a Mentor to lead us in her role as Program Director!

For those who have been following along on our journey over the years, you may know that most of the background work that takes place for Mentor a Mentor to function is done by Rebecca and Javier in off hours, when other jobs and responsibilities allow. This has been life giving, yet difficult to sustain and limiting for Mentor a Mentor. We are immensely blessed to now have Cara join us part time to help run the daily needs of Mentor a Mentor, as well as look towards officially expanding and launching our education and mentorship programs! We are also incredibly excited to announce that Cara will be establishing Mentor a Mentor's presence in Bucaramanga, Colombia where she lives as we partner with Colombia Academy and look to launch our first instructor to teach classes to underserved youth in their local community. Keep reading to learn more about Cara and what an asset she already is to us at Mentor a Mentor and how you can help us make our work possible!
