### 1) Current Situation of Nepal

**Winter is at the door** – Since we are entering into a new season people are suffering from seasonal flu. Pray that people stay healthy, church stay attentive in the posture of prayer. On the other hand, we are also excited about thanksgiving, advent, and Christmas 2023.

### 2) Church ministry: Grace Community Church, Gorkha

God makes His church grow. We are going to celebrate baptism of Mr. Pradip Sunar in October.

### 3) Leadership Training

“A brother (Mr. Avisek) who stopped coming to church fellowship since two years, has continued coming to the church again and actively served the worship team” Said Deaconess Sharmila Tamang. Timothy Leadership Training equips believers in seven areas of Christian faith. We conducted training in Pokhara and trained pastors, elders, deacons and church leaders were trained on “God’s plan for Sustainable development” and “Christian Stewardship”.

### 1) Community Development and empowerment

**Blessed to Bless others** - Mr. Lalsing is one of our beneficiaries under community development project. We supported him for goat farming. He started earning from selling goat and supported his family and also started giving tithe from his earning. He could set up a small chicken farm too. He is also growing in leadership at Grace Community Church.
