Ark Encounter

We had the opportunity to visit the [Ark Encounter](#) in Kentucky. This is a full size version of Noah's Ark built according to the dimensions given in the Bible. It is absolutely breathtaking and the hands-on learning experience left a lasting impact for our whole family. We highly recommend making the trip if you're ever in the area.

Making an Impact in NC

We're so excited to officially kick off our partnership with [Fulltime Families](#) at the end of October in the Outer Banks, North Carolina! We're working with 15 fulltime RV families to assemble **600 Impact Kits** that will be distributed to kids at [Children & Youth Partnership](#) in the Outer Banks. We'll be providing Fulltime Families with ongoing service opportunities and events, and we can't wait to share updates on the impact they're making!
