BOARD MEETING

October 12, 2023

Board Meeting Highlights

In our recent October board meeting, we had the pleasure of meeting with Cara, our new Program Director. Together, we set ambitious goals for the upcoming year, the foremost being the revamping of our website and refining communication around Mentor a Mentor's mission and impact. To kickstart this initiative, we've updated our support page. Check it out [here!](#) The page features a new donation platform accepting both US and International donations. If you've previously registered and donated, there's no need to update your information. Additionally, explore the page to see the incredible impact Mentor a Mentor has made in the lives of hundreds of children and mentors in Latin America over the past 7 years.

Fundraising Progress & 5K JAM Run

Our aspiration to raise \$30,000 by August 1, 2024, is well underway, thanks to your generosity. Currently, we've reached \$13,100, and this progress has been accelerated by events like the successful 5K JAM run/walk in October (pictures below). With the funds raised, we're excited to announce the launch of Mentor

a Mentor in Colombia, where dedicated instructors in robotics and martial arts will impact vulnerable youth for the next six months.

Please Keep Mentor a Mentor in your Thoughts and Prayers

Please join us in your thoughts and prayers for Casa Hogar Adonai in Chihuahua, Mexico. Pray for the safety and strengthened faith of the children, wisdom for founders Luis and Cecilia, and strength for Mentor a Mentor instructor Gabriel in guiding the youth at the orphanage.

Pray for our new partnership with the Foundation 'Fundación Niños de Paz.' in Colombia. Lift up Isaías and Patricia, the visionary founders, and Cara, our Program Director, as they collaborate to implement the new martial arts and robotics programs.

Your partnership is rewriting the narrative for youth and coaches in Latin America. Together, let's continue making a lasting impact.

With Gratitude,

The Mentor a Mentor Team

Javier, Becca, & Cara
