

You make a difference!

Over the past two-and-a-half years, we've had the incredible opportunity to serve others and **make an impact in the lives of 10,000 people** because of your support. When we first set out on our RV journey we didn't know how God would use us, but we were faithful in following the call to GO and serve those as Jesus did.

Through the creation of World Share Impact Kits, filled with encouragement, resources, activities and healthy snacks for kids and their families, we've been able to make it simple to impact communities across the country and beyond.

In the year ahead, we'll be equipping and mobilizing the RV community to serve in a BIG way - **sharing hope and encouragement with 37,000**

people through the commitment of a World Share Impact Maker Team doing outreach across the country every month! To do this, we need your support.

We know you have a lot of choices on where to invest your resources this Giving Tuesday. We'd love for you to be part of this impact with us, and we'd be honored if you would be part of our monthly financial [support team](#) by investing in the transformational impact of the World Share ministry.

Would you join us at one of these crucial ministry support levels today?

Meet a few of the people your support has impacted:

In Merrimack, NH, we met a little boy named **Joey** at our community outreach event. Our event was the first time he'd been to a social activity in 2 years because of the pandemic. He expressed that he didn't have any friends and we were able to share the love of Christ with him that day and remind him that he is

a child of God who is loved and is created with a purpose.

Kaylee and her sister were not expected to live past age 5 because of a medical condition. But God's plans went beyond the Doctors' prognosis. These sisters are bright and healthy young girls living life much past what was expected for them and with such radiant joy! They both had their Make-A-Wish granted and recently attended the World Share photos with Santa event to pay it forward to other kids in need of encouragement and joyful experiences too.

We met **Cheryl** and her family at an RV park in Indiana and shared Impact Kits and fresh baked goods to encourage them during a difficult season. A few weeks after that interaction, she sent us this note:
"I love how practical and simple you guys make it to share the Gospel. So many of us have the heart and

will, we just sometimes complicate the simplicity of sharing such good news. I'm on fire for sharing the good news that was sparked by divine appointment with you all!"

We are beyond grateful for your prayers and support, and we're excited to share monthly updates with you on the impact made possible in the coming year because of you!

With our sincere gratitude,
Joe, Tara, Aden and JJ
