Back to School

August brought the start of a new school year for the kids at Adulam. Alarm clocks start sounding in the home as early as 5:00 am to start preparing children to head off to one high school, a junior high, two elementary schools, and one kindergarten building. After a morning devotional, breakfast, getting dressed in school uniforms, and getting lunches packed, everyone is ready for the day. We are grateful for the willing hearts of Jorge and Luis, Adulam staff who drive kids to and from school each day, and also for those who help with the various levels of homework that are completed in the afternoons.

ADULAM NEWS

After a meniscus surgery in August, Juan is excited to be working with friend from a church in El Paso who is helping with our need to build an emergency exit

staircase for the second floor of the children's home. Several needs have fallen into place for this project, and we are looking forward to the finished product.

The kids at Adulam have also enjoyed fun activities ushered in by the fall, such as celebrating Mexican Independence Day (pictured above) and getting involved in activities such as sports, dance, and chess clubs at school.

MEET BRIAN

Brian is 13 years old and has been living at Adulam Children's Home for 6 years. He is in his second year of junior high school, which is equivalent to 8th grade in the U.S.

In his free time, Brian enjoys playing soccer with the other children at the home and riding bikes. He is particularly gifted in all things mechanical, and he hopes to open his own auto mechanic business after graduating from school someday. Something we love about Brian is that he is servant-hearted, always looking for a way to help those around him.

Pray for Adulam

- A big work like running a children's home means we are always looking for additional staff to help in many areas. Pray that God would provide in this area.
- We are beginning to prepare for a mission trip to the Sierra Madre mountains south of Chihuahua in November. Pray for discernment in planning and that God would provide everything we need for this trip (particularly Christmas gifts for around 700 children!).
- Pray for continued safety and stability in our border region. We live, work, and do ministry on both the U.S. and Mexico sides of the border and depend on being able to cross the border with ease.

Dios les bendiga
(God bless you),
