

## More in '24

We are excited to be going back to Bangkok, Thailand, to teach with our BSOP Filipino Missionaries. **We depart on Sunday, Jan 28**, for four months of serving side-by-side with them.

Why all the excitement?

Seeing Thai people choose to follow Jesus is rare. Many Thai seekers ask questions and remain undecided for months or even years. **January 2024 has brought more good news than we were expecting.**

Jan 9 **Sorn** was at the English center to receive her certificate for successfully completing at least eight subjects at Santisuk. She has been thinking about following Jesus for many months. On this visit to Santisuk **Sorn shared that she is finally sure that her sins are forgiven and she is a child of God!**

Jan 19 **Aom** was scheduled for her level 4 private interview with her volunteer English teacher and BSOP fieldworker Jezreel E. They talked about many things in English. Then Jezreel, using Thai, reviewed the good news she has been hearing about Jesus. Near the end of the interview, **Aom prayed to give her life to Jesus and follow Him!** Pray for her as she grows in her new faith.

There's more.

Last July we led a group of 40 short-term visitors to Santisuk English Camp. In that week we met numerous Thai students and interacted with them in English. **Poon** was one of those young men. After camp he began attending cell group meetings in his center. After some time, he decided to follow Jesus and has been disciplined by the missionaries and Thai Christians at Santisuk. About a month ago he decided that he wanted to be baptized. **His baptism is scheduled for Saturday, Jan 27!**

There's more.

You have been praying with us that Jezreel's younger brother Jasper would be able to join the BSOP team in Bangkok in 2024. Today, January 23, **Jasper was met by Jezreel at the Bangkok airport!** He is **beginning his first term as a BSOP fieldworker**. Praise God for supplying his needs to begin his missionary career. Pray for his smooth adjustment to life and service in Bangkok. We will be with Jasper in Santisuk orientation and training sessions February 2-3.

Thank you for your partnership. "How can they call on Him unless they believe in Him? And how can they believe in Him if they have never heard about Him? And how can they hear about Him unless someone tells them? And how will anyone go and tell them without being sent?" (Romans 10:14-15a) **Thank you for sending us and the BSOP fieldworkers** to tell Thai and Cambodian people about Him.

Onward,

**Dennis & Melody Nordine**

BSOP has a new financial partner in the USA. We still serve together with Converge workers but our financial services will now be handled by our new partners, Global Horizons, Inc. (GHI). GHI was started 30 years ago by a Converge/Bethel Seminary missions professor to provide financial services to foreigners serving in missions. Read Converge's letter to our supporters which is attached below. Visit the GHI website at [www.globalhz.org](http://www.globalhz.org)

You can now support any BSOP fieldworker by sending a check payable to BSOP/GHI to the following address:
