26 States, 3 Countries & 8,500 Impact Kits

When we hit the road two-and-a-half years ago we had a mission to make an impact wherever the road took us. We had no idea that would amount to serving across the U.S., Mexico, and Caribbean, and sharing hope with thousands of people!

Because of people like you.

Because of you, many more kids will have the opportunity to experience encouragement, hope, and access to resources that can have a profound impact on their future.

It's more than an activity booklet and healthy snack you're making possible: It's hope for many more tomorrows.

You've made it possible to share important resources like free access to RightNow Media, application information for the Milton Hershey School, and mental health exercises specifically for kids. The pandemic has had a major and lasting impact on the health and well-being of youth, especially those in underserved communities. Mental health-related ER visits for youth has increased and there's an estimated 17 million children utilizing food shelves – an increase of more than 6 million compared to pre-pandemic totals.

You're making a dramatic, personal impact on the next generation... and now you can make that kind of impact again!

Our goal is to reach 37,000 people in 2024, and to do this we are seeking to raise \$142,000 to:

- Reach 2,500 people through our Impact Maker Team each month
- Assemble and distribute 7,000 Impact Kits at 4 outreach events
- Host 3 hands-on short-term service trips suitable for families with kids of all ages to participate in

Your gift allows us to expand the number of people serving each month as part of the World Share Impact Maker Team, and **share hope with thousands of people – every. single. month.**

Will you help us make this possible?
