

February 2024

Dear Partners,

I praise God for what He has started doing through me here in Thailand. So far this year, God has been equipping me for teaching Thai students, building friendships with them, and helping strengthen Star of Peace Church here in Ladkrabang, Bangkok.

On Feb 3, we had training for new teachers at Santisuk English Center.

I have begun teaching Bible-infused conversational English, which provides a wonderful opportunity to share the Bible stories and lessons about Jesus in a natural and engaging way.

Additionally, I have been spending time with students through playing sports and doing exercise. Last month, my exercise friend “New” (with the yellow shirt) decided to enroll at Santisuk English Center-Ladkrabang. **Please join me in praying for him- that he will understand God’s truth and choose to follow in Jesus.**

Every Sunday, we gather for worship at Santisuk- Ladkrabang. I am actively involved in our cell group, prayer gatherings, and strengthening Star of Peace Church. It brings me joy to meet students who have become believers, as well as those who are still seekers. They all join us in singing songs of praise and hearing God's Word. **Pray that more seekers will choose to follow Jesus over the next months.**

**BSOP (my sending organization) is transitioning to Global Horizons (GHI) as its USA-based giving platform.** For those who have previously used Converge USA, please consider switching to GHI to continue supporting my ministry. You can visit the GHI website and find my webpage at <https://globalhz.org/bsop-jasper-estrella/>

**Ministry Impact**

Now, at age 23, he is ready to join the Bethlehem Star of Peace (BSOP) team in Bangkok for two years as a Global Worker, preparing him for lifelong ministry with BSOP.

In addition to studying basic Thai language & culture, Jasper will be helping start and strengthen churches thru:
