

BETHLEHEM STAR OF PEACE

invites you to join the Support Team of

Jasper Estrella

Jasper grew up in a Christian family; he made a personal decision to follow Christ at age 12. When God called him to serve full time in ministry, he completed a bachelor's degree in Theology and earned a graduate school certificate in Teaching English to Speakers of Other Languages (TESOL). Now, at age 23, he is ready to join the BSOP team in Bangkok for two years as a Global Worker, preparing him for lifelong ministry with BSOP.

**Jasper will introduce Buddhists
to Jesus in**

Thailand

- **Only 1% of Thai people are Christian.**
- For most Thai people, none of their family members, neighbors, nor friends follow Jesus.
- Thai people know little or nothing about Jesus' life, death, and resurrection.
- They know nothing about the Creation of the world and the Creator's plan.
- Thai people hope their good works and prayers to Buddha will save them.

Jasper's 2024-26 Ministry as a BSOP Global Worker
