

Melody saw a short video review—the opportunity of a life me to **walk on the new eight-lane bridge crossing the huge river that zigzags through Bangkok**. Construction on of this new Rama IX Bridge was completed, but not yet open to vehicle traffic. The government organized a grand opening party and for a few days you could walk to the center where there were food trucks, entertainment, and a light show. **We, a few students, and thousands of new friends went** on the last day the new Rama IX Bridge was open to foot traffic. **It was an unforgettable experience!**

**We want to build new bridges for our Thai students** to have the unforgettable experience of meeting and following Jesus. We teach Bible-infused English classes every day. We spend time talking with students and playing games in the lobby of our center. Our center organizes outings to strengthen friendships and give opportunities to share our lives. We invite students to cell group meetings and worship services.

**Help us build new bridges by praying** for all of us serving in Thailand.

+ Pray for the **Saturday, March 23 gathering of ten Bethlehem Star of Peace-related fieldworkers** currently in Thailand. We'll meet to encourage one another, plan, and discuss changes in our ministries here. That evening we'll celebrate the **wedding anniversary of fieldworkers Don and Carol Estrella**.

+ Pray for special classes in each of the five Santisuk locations on **"The Real Meaning of Easter."** These will be held during the week of **March 25-29**.

+ Pray that seekers will come to the **joint worship service** of all Santisuk Schools and Churches on **Easter Sunday**. Dennis will be the speaker, sharing about "Life-changing Choices."

+ Pray for us during **Songkran, the Buddhist New Year**—perhaps Thailand's biggest holiday. We'll have no classes April 12-21, but will still have informal times with students and former students as the country celebrates with a huge water festival.

**Thank you for your part** in helping us build new bridges. Your prayers, encouragement, and giving allow us to help least-reached Asians discover Jesus.
