

So far this year God has opened doors to bring His message of freedom to those who are in prison.

"I remember that story when I was a kid watching cartoon Bible stories," said one of the ladies while Meaw was telling the story of Esau and Jacob in one of meetings.

The life of Jacob has encouraged many of the listeners since they could relate to his story.

Please pray for these women as some of them are struggling from emotional stress. May the LORD comfort and grant them salvation.

Most of the people (Buddh\*st and M\*slim) in prison have never heard of the God of the Bible. Communicating the Gospel in their language is one thing and helping them to believe is another thing.

(Bible reading and discussion.)

So far, two men have been baptized inside. They are continually praying and reading the Bible out loud for others to hear. Please pray for these men as they share the Gospel to their friends.  
Pray for our health and safety. We meet every Tuesday morning for two hours of game, singing and Bible discussion.

Pray for Meaw's weekly music classes and Bible study with her music team.

Our Adopt a School Program is a weekly activity. Thai and Burmese (Myanmar) children play games, listen to Bible stories, sing and practice conversational English. The program ends this month for the school break. Pray that we may

continue building healthy and godly relationship with the children, teachers and parents. This school had allowed us to share the gospel during our Christmas party last year.

Speacial event. Sharing the gospel to Buddh\*sts parents during a family camp.

Pray for fruitful results as we work together with our muslim imam friend in helping our community starting this year.

We would love to hear from you too. You may reach us through our email address:

Thank you.  
Until then, glory to God.
