

## Update from the Botchways (April 2024)

Dear Friends and Family,

We've just celebrated Easter; the death by crucifixion, the burial and the Resurrection of our Lord and Savior Jesus Christ. For us as believers, this is the greatest event in the history of mankind and the hope of the gospel. It demonstrates God's power and love for humanity. Jesus said, the thief came to steal and to kill, but He came that we might have life and have more abundantly. (John 10:10) We pray the Spirit of Him who raised Christ from the dead will quicken your mortal bodies. May we experience this resurrection power.

**Thank You To Jesus:** In our previous updates, we mentioned about a door that God was opening to us in a new territory. God has answered our prayers and we've been able to make contacts and also had the opportunity to meet with the leaders of the Ecumenical Church Leadership in that town. Please pray with us as we move into the next phase of setting up dates for our Conferences.

**March Conference.** On March 15th-16th 2024, we had our March Conference in Anyinam in the Eastern Region of Ghana. We had a wonderful time together in the presence of the Lord.

**Trip To Minnesota:** As some of you are aware, my wife is already in Minnesota for her annual physicals. The reports so far indicate that things are moving in the right direction. Thanks be to God for His protection and care for us each day. I'm sure we can all testify of the goodness of God in our lives. Please pray for her eyes. The doctors are concerned about one of her eyes. They have to do some blood work to see what the issue might be. By God's grace I will be coming to Minnesota too after a long time. I'm scheduled to leave Accra, Ghana by May 7th and arrive on May 8th 2024. It will be a great opportunity to meet old friends and possibly make some new ones too. I'm really excited and looking forward to seeing all you beautiful people of God who have stood with and supported us over the years. **BELOW** are pictures of some of the participants who attended the conference. Also **below** are pictures of our best

transporter so far. **(Our Ford Escape)** It has served us well over the years but now costing us a lot of money to keep it going. Parts are very expensive and our prayer is to upgrade it to a new brand like a Toyota Highlander with a 7 or 8 seater because our team is getting bigger with our equipment. ( See pictures of our broken vehicle by the road side with a mechanic. Our roads are really bad, and so every trip comes at a cost. This incident happened on our way to Anyinam last month)

**GLORY TO GOD.** Since last year we have added one more day to our conferences and it is yielding results. The pastors were appreciative that we decided to add the Friday night to our program. The reason for adding the Friday nights was to have a forum and discuss issues that the Churches and the communities were facing but are not able to bring them to the open and have solutions. Last month the topic for discussion was **Sex and teenage pregnancy.** During our discussion, it came to our attention that, that region is recorded to have highest rate of Sex and teenage pregnancy. Some of the Pastors on the warfront shared their experiences and how they dealing with it.

**PRAYER Points:**

1. For safety on our road
2. Good health
3. Wisdom to navigate through the daily challenges of family and ministry
