ENRICH LEADERSHIP NETWORK

Equipping For Transformation

Mission:

Advancing the Kingdom of God,
connecting with leaders, training,
equipping, coaching and
mentoring them to become
agents of change.

Albert's passion is to see the Church thrive and fulfill its kingdom mandate of "Making Disciples of all Nations".

Ministry goals:

Equipping

Connect with leaders and pastors to equip, train, coach and mentor in biblical and theological training.

Process: We intend to develop skills for effective ministry through seminars and conferences.

Part of our mentoring program is to encourage and help in different ways such as supporting struggling pastors and their families financially.

Transform Churches

Connect with churches to help them fulfill their missional commitments to bring transformation to their communities.

Process: To help them revisit the vision and mission of their respective churches and to go through a discerning process to identify God's preferred future for the church.

Partnership

To encourage partnerships with sister churches both home and abroad for greater kingdom impact.

Process. To recruit missional pastors, teachers, professors to do short term teaching experience overseas.
