

We spent November and December in our “sticks & bricks” home in Minnesota to spend time with family and friends over the holidays. We loved the opportunity to rest and recharge as we head into an exciting year ahead for our family and the World Share ministry.

So, what’s next?

- We have 2 large Impact Kit Assembly & Outreach events scheduled for February and March in partnership with Fulltime Families
- In February we’re going back to our World Share roots and doing a Service Excursion with other full time RV’ers on a cruise ship
- We’re in Florida for the next three months and after that we’re seeing where God wants us to go

We have a God-sized goal of sharing hope and creating an impact in the lives of 37,000 people this year! We’ll accomplish this in 3 ways:

50 families x 50 kits x 12 months

*7k Impact Kits assembled +
distributed to kids*

Hands-on short-term mission trips

We're stepping out in bold faith as we embark on an exciting and impactful year ahead. **For us to meet our vision for 2024, we need to raise \$144,000 for the year, or \$12,000 in monthly support.**

We know you have many choices when it comes to deciding where and how to invest your time, talents and treasures. As we head into this new year, we're prayerfully seeking to build our monthly financial support team and we'd be beyond honored and grateful if you would join us in making an impact together!

Would you consider coming alongside us at one of the following levels on a monthly basis? Your contribution is tax-deductible.

20 people @ \$150 / month

30 people @ \$100 / month

40 people @ \$50 / month

50 people @ \$25 / month

Thank you for your prayers and support on this journey. We look forward to sharing updates with you on the first Sunday of each month. May you be abundantly blessed in the year ahead!
