

Greetings dear family and friends,

Greetings from Ladkrabang, Bangkok. May you be encouraged as you read this ministry report. Praising and Rejoicing for our God is our healer and is always faithful.

Praise God for our ladies in our church. Out of their close relationship with Jesus Christ, they asked if we can have children's ministry in our community. We had children's ministry in our community but when Covid 19 came, we closed it and since then we have not opened it yet. When, these ladies asked, we know it's God who is telling us to have children's ministry again in our community every other Saturday morning at our community library.

Please pray that we can start teaching kids at the community within the month of May. Pray for the right family to send their kids to the library. Pray for wisdom also.

Some of our ladies in the church.

Praise God for teacher Deborah Guzman. She joined Santisuk Ladkrabang last July 2021. She is a great help in our school and church. She decided to go back to America for good to be with her daughter. We will surely miss her.

Please pray for her trip back to America this coming May 12 and pray for ministry opportunity there in America. Please also pray for an American short term or long-term missionary to help us here in Santisuk Ladkrabang.

Teacher Deb Guzman.

Praising God for the opportunity to minister to our students, especially the ones who want to know God more. Praise God we have 23 students for the month of April.

New is on the right side of Pastor Don and Mali is on his left side.

Please pray for New and Mali. They have been joining our worship and small group regularly. Pray for God to continue to work in their hearts. Pastor Don is translating English into Thai so they can understand God's word in their own language.
