

MISSION UPDATES

March-April 2024

Praise God for His working in my life and in the ministry over the past two months. This journey hasn't been easy, but His promise to always be present revealed in His Word has been a source of strength. I am also filled with gratitude for your continued support and prayers, which have been my source of encouragement, too.

CHAI RECEIVING A BIBLE >>>

Chai, my student, became curious about Jesus' life. Whenever we talked about Bible stories in the class, he kept asking why Jesus was mistreated and died on the cross. I shared to him the good news and He understood, but He wasn't ready to accept Jesus yet. I gave him a Thai-English Bible and he accepted it. He wants to understand more the narrative about Jesus' life, so I suggested him to read the book of John and the rest of the Gospel books. Please pray that as he reads more about Jesus, his heart will be open to the possibility of following Him.

<<< BSOP THAILAND FELLOWSHIP

It was my first time meeting and greeting fellow missionaries in Thailand. We had a wonderful time of fellowship filled with joy, excitements, thanksgiving, prayers, and encouragement, which strengthened our bonds. Please continue to pray for the missionaries here in Thailand in bringing the good news to the Thais.

TEACHING ENGLISH TO KIDS <<<

These kids love to play after our class. They were learning basic English well. Please for these young souls that they will not only continue to learn English but also come to know the love of God for them.

PREACHING @ STAR OF PEACE CHURCH LADKRABANG

Praise God for giving me the privilege to preach every 2nd Sunday of the month. My brother, Pastor Don, has faithfully served as my efficient translator for the recent sermons I had. We've been having a series about the qualities of God in the past months. Please pray for the growth of Star of Peace Church.

MEN'S CELL GROUP >>>

New (with the violet shirt) has been attending Sunday service most of the time. Please continue to pray for him that He will finally choose to follow in Jesus. Please also pray for Un (with the green shirt) for spiritual growth, strength and wisdom. He will be serving in the army soon.

BIBLE-INFUSED CONVERSATIONAL ENGLISH

Pearl and Kong are a couple who are interested in learning English and as our class continued, they were also learning more about Jesus. It was amazing when they each wrote an essay. Kong shared his thoughts on Jesus as the "Son of God" and as a good teacher. Pearl explained why Jesus died on the cross, stating that it was to restore the broken relationship between God and humankind. I always tell them in the class about the eternal life available in Jesus Christ but they aren't ready to accept Jesus yet. Please pray that God will open their hearts and minds and choose to follow Jesus.
