

ABOUT US

Albert and Sandra Botchway came to the United States in 2004, spending 11 years in ministry at Bethany Baptist Church, Roseville, MN. While in the US, Albert earned a master's degree in Congregational Mission and Leadership at Luther Seminary, St. Paul, MN.

Enrich Leadership Network developed through interactions with concerned pastors. The church in Ghana is growing exponentially but with a need for growth in discipleship and training for pastors in delivering messages rooted in the Word of God. Enrich Leadership Network's call is to come alongside churches to challenge them to make discipleship a priority.

We have partnered with Global Horizon Inc. to assist us with our mission. They handle our finances and accounting for all of our donations.

EQUPPING FOR TRANSFORMATION IN GHANA

Advancing the Kingdom of God, connecting with leaders, training, equipping, coaching and mentoring them to become agents of change.

Albert's passion is to see the Church thrive and fulfill its kingdom mandate of "Making Disciples of all Nations".

MINISTRY GOALS

EQUIPPING

Connect with leaders and pastors to equip, train, coach, and mentor in biblical and theological training.

Process: We intend to develop skills for effective ministry through seminars and conferences.

Part of our mentoring program is to encourage and help in different ways such as supporting struggling pastors and their families financially.

TRANSFORM CHURCHES

Connect with churches to help them fulfill their missional commitments to bring transformation to their communities.

Process: To help them revisit the vision and mission of their respective churches and to go through a discerning process to identify God's preferred future for the church.

PARTNERSHIPS

To encourage partnerships with sister churches both home and abroad for greater kingdom impact.

Process: To recruit missional pastors, teachers, professors to do short term teaching experience overseas.
