

**Good news from a distant land
is like cold water to a thirsty person.**

Proverbs 25:25

It is good news that **Boyet and Daryl Lisbe** are nearing 100% of their support target.

Pray that they can be deployed to Bangkok by November 1.

You can see more and give for their financial needs at <https://globalhz.org/bsop-lisbe/>

It is good news that Bethlehem Star of Peace (BSOP) appointee **Jean Capangpangan** was able to make a **vision trip** to Bangkok this month visiting Santisuk English centers, interacting with BSOP fieldworkers, and attending cell group in Santisuk-Silom, as well as joining Friday worship in Bangkapi. Pray for Jean as she returns to Cebu, Philippines for another year of teaching in LHBC Christian Academy.

It is good news that a small group of USA-based **support team members are planning to visit Cambodia** in November to be mutually encouraged by BSOP fieldworkers there.

It is good news that the July 27-29 **Santisuk English Camp** has a good number of Thai students pre-registered. Pray for wisdom and strength for the BSOP camp leaders as well as for spiritual responses from campers.

It is good news that **Dennis & Melody Nordine** will tentatively **visit Thailand and Cambodia** October 1 'til December 20 to volunteer at Santisuk English centers and visit each of the BSOP fieldworkers during their time there.

It is good news that the **support teams of all 15 BSOP global workers** (including Lisbes and Jasper E.) are generous and faithful. When we pool everyone's support for the first half of 2024, the monthly average of \$14,436 is **just over 100%** of the total fieldworkers' budgets. Thank you for your faithful prayers and financial support.

Onward,

Dennis & Melody Nordine

BSOP International Directors
