1) Church Ministry:

A. A story of Baptism

Mr. Shikhar who is differently able accepted the LORD as his personal savior comes from a simple family background. His father lived more than 14 years in gulf country as a migrant worker. Mr. Shikhar met his father at the age of 11 since his birth. Now, he lives with his brother and grandmother in the village. His father and mother moved to a small city and started a microbusiness. This a family life in Nepal. We praise God for this beautiful family and pray that his parents and siblings would also come to know the Gospel in future. The church is slowly growing in discipleship. Join us in prayer.

2) Full Life Training Center and Grace Church core team retreat

In July 13 and 14, we had a blessed retreat of our core team. Mr. Ajay led us in praise songs, and Pastor Santosh led two sessions bible study from the book of Philippians 2:1-11 and Eph 4:1-16. Our theme was: “we are served to serve others”. Making our yearly church calendar with activities was wonderful and we spent time in prayer for the FLTC construction work which is stopped now due to the lack of funds. Please join us in prayer.
