Loving on the Locals in Costa Maya

We hosted a service excursion in Costa Maya, Mexico, as part of a content creator cruise where we **distributed 200 tamales** from a local restaurant to the port workers. Along with the tamales, we **handed out cards in Spanish that said "You are Loved"** and included free access to [RightNow Media](#). The locals were completely shocked that we took the time to care for them. We shared joy, tears and hugs. But the impact didn't stop there – the participants were still talking days later about how special it was to be part of this experience.

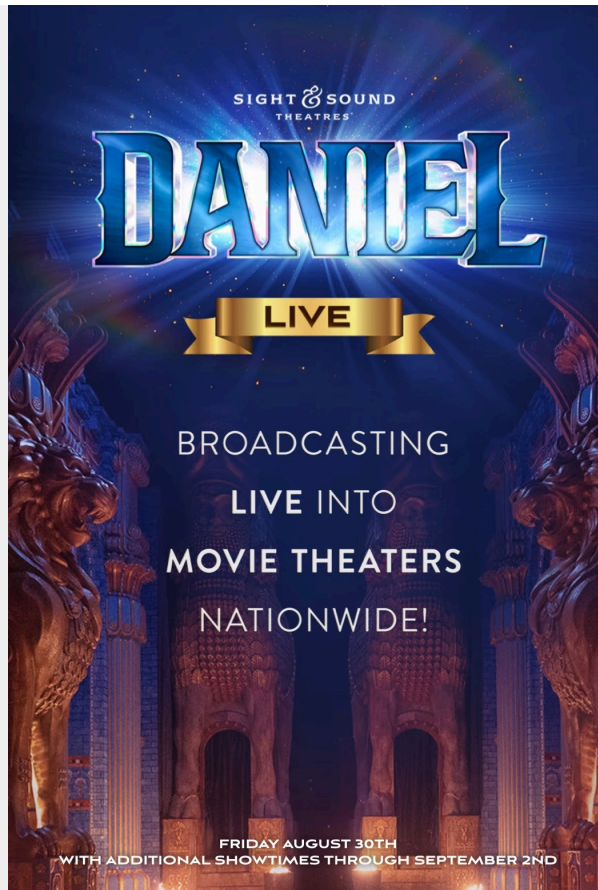

RV Rally in Michigan

Later this month, we're traveling to Michigan to attend the Gathering of Nomad's RV Rally with 20 other Christian RV families. Together, we will assemble **500 Impact Kits** to be distributed to the kids in the local school district at their Back to School Open House event. We're thrilled to make a positive impact on these children's lives as they start a new school year.
