

LEARNING THAI, SHARING JESUS

- Over the past few months, I've been immersed in studying Thai daily. It has been both challenging and fulfilling. Learning Thai is difficult but it's worth the effort because it opens doors to connect with Thai people's hearts and share Jesus.

- Pray for financial provision for my language studies over the next three months (October-December 2024) of learning Thai. I am currently raising 27,300 (Baht) to fund this language-learning ministry.

- Pray for my short-term visit in Pang Nga next week in September. I will be visiting Ptr. Melton and his wife, Meaw, who have a significant impact there. During this time, I am looking forward to immerse myself in the local culture and practice the language skills I've learned over the past months. Pray for ministry opportunities to serve the Thai people in Pang Nga.

- Pray for the salvation of the Thai students learning English at Santisuk, that they may not only hear and understand the Bible stories, but also believe in and choose to follow Jesus.
