

Thank you for praying!

- + We arrived safely in Bangkok on October 1.
- + We have overcome jet lag and are sleeping all night now!
- + We started classes Oct. 7 at Santisuk English Center-PYT.
- + Our center has 41 learners enrolled this month; that's GREAT.

Keep praying:

- + This weekend is Santisuk Churches' Family Camp. Dennis will speak twice.
Pray that the 57 Christians at camp will grow in spirit and unity.
- + At school, Dennis is teaching Level 1 classes, Melody Level 3.
Pray that students will make academic and spiritual progress this month.
- + There's been flooding in Thailand. It has affected some students' families.
- + Already, students are enrolling for the November term.

Onward,
