

COLLABORATE 4 DEVELOPMENT MISSION: UGANDA (C4DMU) SEPTEMBER 2024 REPORT

GREETINGS FAITHFUL C4DMU SUPPORTERS AND FRIENDS!

We are pleased to report that as soon as funds arrived for completion of the temporary roof on the school building in Balawoli, Kamuli, the roof panels were purchased and installed! What a wonderful blessing to the children and staff now able to study without concern. We are grateful for all who helped make this possible – for your generosity and for your prayers!

WHAT IS NEXT?

Our long-term goal is to construct a sustainable rural school, Mt. Olivet Care View School, in Kamuli. Our dream is to be able to have a school that will accommodate 500 students, and include staff quarters and two hostels to house 300 students. Most of our students are orphans of AIDS. They desperately need the love of Jesus and the safety and stability of a bed, nutritious food, and an education.

We already possess the land necessary for the school, and thanks to donors like you, we now have access to clean water that serves the entire community. What comes next is the securing of funds to construct the buildings. \$85,000 USD is the goal we have set for this project. Please spread the word and be in prayer that God will enable us to move forward on this plan. Pastor James tells us that the education of the children he serves is the key to helping this entire

community to become self-sustaining and stable. Not only will these children receive a quality education, but the older children and adults in the community will learn skills for growing cash producing crops and other marketable skills such as sewing and hand crafts.

Please prayerfully consider partnering with us in this vital ministry. You may designate donations specifically for the Mt. Olivet School Project. Additionally, please consider becoming a monthly sustaining partner.

supporting Pastor James and his family as they seek to lift this community out of poverty and dependency. We need your help today!

REV AKUWA JAMES.
