

MISSION: MOVING MOUNTAINS MAY- AUG 2024 NEWSLETTER

Please allow me to share with you this update about our ministry!!

BACKGROUND

M:MM is an indigenous, Christian Inter denominational Non-Government Organization (NGO) working in Uganda in Elgon Zone, Busoga Region, Teso and Lira districts with its head office in Mbale town located on plot 31/33 Wanale Road, Senior Quarters. It is registered with the Uganda National NGO Board with Reg. No. S5914/270. M:MM Uganda is a community development organization that integrates Evangelism/Discipleship with Development at grass root levels in the community. M:MM Uganda also trains & mentors other Christian leaders to do this.

OBJECTIVES

- 1) Church and Christian NGO leaders adopt the culture of a Wholistic Development approach to Missions and Discipleship.
- 2) People in communities able to identify and solve their own problems.
- 3) People in the communities economically empowered through their self initiated Income Generating Activities (IGA).
- 4) Evangelical Church & Christian NGO leaders trained through Whole-life discipleship trainings; - foundations, skills I & II and applying the knowledge attained to carry out ministry.
- 5) Improved agricultural food production & security, general health, income generation and spiritual health.
- 6) Saved and disciplined people in the communities.
- 7) Youth empowered with life skills

ACHIEVEMENTS

- * All Staff participated in two weeks' Annual leave which was given to do farming as communities did agriculture to.

- * Successfully elected a new National Director of the Navigators Uganda (Ambrose Wasukira)
- * Good progress in the process of M:MM acquisition by the Navigators Uganda
- * Bi-monthly retreat for Staff was done at world life Education Centre Mbale where 16 Staff participated and they learnt about family finances and they were excited and yearned for more
- * Successfully followed up eight (08) teams in both Nebbi & Kitgum

Group photo with Northern Uganda Diocese Leadership

- * The group of Navigators who visited was able to learn a wider vision of D4D in communities and how this can work in the churches and they were challenged and promised to go and try D4D method in communities God is calling them to work.
- * The Ugandan Internees from Northern Uganda Diocese (Gulu) Walter and Mary and Atomic and Irene, have quality time with their families leading to strengthened relationships as husband and wife.
- * Wency Delavina from Philippines visited M: MM Uganda to learn about the impact of whole life discipleship which was successful and it encouraging to him and the communities he visited.

The Walters and the Nyekos

- * The internees have got connected with the Mbale Diocese and are now helping in discipling some Christians and church leaders. The total of 20 converts are undergoing training
- * Successfully carried out a Health training for the VHTs on child protection, mental health and red eyes control and prevention.
- * The M: MM Staff 07 participated in Navigators Uganda annual conference in Kampala that took place on 8th -9th June 2024.
