

BSOP – October 2024

Dear Support Team,

Greetings from Bethany Thmokol Church.

Rejoicing for almost 100 believers worship God during holidays. I was able to share the gospel to the unbelievers. Pray that those who heard God's word will believe in the name of our Lord Jesus Christ.

Grateful to God, we disciplined 21 students studying New Life in Christ every Saturday afternoon. I was challenged because we learn more on the doctrine of who God is. I was thrilled and enjoyed studying God's word.

I was blessed when two of our young people decided to study in the Bible School in Phnom Penh City. They are Savoda and Eva. We sent them off last month. I am confident that they are ready to face the challenges in the Bible school and being away from their comfort zone. From time to time we communicated through messenger encouraging them and praying for them.

Please pray for wisdom and strength day by day as they study God's word. Praise God they pass the grade 12 exam.

I am so much bless when the Director of Bless Ministry came from the Philippines to visit us. This is an English Curriculum contextualized in Bible stories for kids.

Thank you so much for praying. I am grateful as well for your partnerships of the Gospel here in Cambodia.

Grateful,
Ann Ledesma
