

Shining like a Star

Matthew 5:16

Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

September HighLIGHTS

Glory be to God for my short-term visit to the South. What a blessing it was to be immersed in a new environment and practice the language with the locals. I was filled with joy to share a brief testimony with the children in Thai language. Praying that these children will shine their lights at their home, too!

October HighLIGHTS

Glory be to God for using me as a light in the lives of these young students at Santisuk. Praise God for the opportunity and wisdom to share His Word in Thai for about 10 minutes. Please pray that more students will attend our youth gatherings and will choose to follow Jesus. Also, praise God for the Santisuk Family Camp. It was indeed a wonderful time of worship, fellowship and encouragement.

November HighLIGHTS

Glory be to God for the lives of my fellow missionaries here in Thailand. We thank the LORD for the time spent together, to pray for each other and to strengthen our hearts. Also, praise God for my continued progress in language learning. So glad and excited every time I learn new words that are so useful for spiritual conversations.

HOW TO PRAY AND SUPPORT:

- Pray for strength, wisdom, and perseverance in understanding Thai language and culture.
- Pray for ministry opportunities to use Thai language in sharing Jesus to the Thai people.
- Pray for financial needs to fund my language study and living expenses as I serve long-term in Thailand.
