

January 2025

Dear Partners,

Greetings from Ladkrabang, Bangkok. Praying that all is well with you and your family as you read this email.

There are lots of thanksgiving and praises remembering of God's goodness and His faithfulness last year 2024.

We were able to share the Gospel to 318 students and 5 students received Jesus as their Savior, Baptized 4 people. There are at least 2 unbeliever students who regularly joined our worship services.

We praise God for the opportunity to share the true meaning of Christmas at our night market.

We were able to pass out 600 flyers to passers-by. We praise and thank God for the help of our foreigner teachers from Santisuk Pahonyotin and Santisuk Ladprao.

We praise God also for Mandaue Baptist Church Philippines for sending us reinforcement through their first mission team here in Bangkok, headed by Pastor Nigel Alfajara together with his wife Kristina. We also thank God for Pastor Miyel Odron together with his wife Maricar and baby Aya. They helped us for November -December session.

We are also praising God for the great fellowship with our students. They have heard that the most precious gift that everyone can receive is Jesus Christ.

We are praising God today at present time because most of our students last year will come and join us this January class session. They will learn more about Jesus in the classroom. Please

pray that we will also have new students this coming class session. Our class will start tomorrow January 8.

Please pray for the following concerns:

1. Volunteer teachers - American, Filipinos or any nationalities to help us reach out Thai Buddhist students. Most of our students are 20 years old to 30 years old.
2. Monthly support - We are lacking of \$323 every month. Please pray for churches or individuals to invest in God's kingdom.
3. Students - May God open their hearts and their minds as they study the miracles of Jesus in the classroom. May we, the teachers be sensitive to God's leading and to the needs of our students. May we have at least 35 students every class session so we can pay for the rent and other monthly fees.

Looking forward to the future, we believe that we can keep going because God is always with us and He is faithful to see us through.

Thank you for always supporting us in prayers and finances. May the LORD bless you abundantly.

Blessed New Year,
Ptr. Don, Carol and CJ
