

Full Life Training Center Newsletters Jan 3, 2025

To our dear friends who have prayed, and supported the work in Gorkha

Thank you for your constant mentorship and praying for us to grow in the Lord. Also, we wish you good health and joy as we begin the New Year 2025. We are grateful for your friendship and guidance. I would like to share what the Lord is doing here in Nepal and invite you to consider praying for us.

First, more than 180 people could hear the gospel in our village during Christmas Carol (advent). Our ministry has positively impacted to build a good relationship with people who come from other faith. People whom we invited for Carol singing even gave offering. This was our first experience.

Second, more than 43 children and their parents from our neighborhood could hear the gospel. For this, we conducted Christmas Party Club (Material provided by Children Evangelism Fellowship) We did action songs, group games, memory verse (Lk2.11) and story. Mrs. Sabina Thapa, Mr. Ajay, Mr. Keshar and Pastor Santosh worked towards this children evangelism

Third, we could share Christmas message with over 130 people who were from other faith. We did carol singing, Christmas nativity play, dance, testimony and message (Mt.1.18 -25). We invited our neighbors to join us in celebration. This year we brought our celebration outside of the church to maximize our opportunity to share gospel with more people.

Fourth, after the Christmas, we could also share gospel with Youth, Teens and few children. The program we conducted was "Ramelo Balsangati". Mrs Sabina Thapa, Mr. Ajay, Keshar led this youth outreach. In all our efforts, on Saturday a couple (Bhakku and Sana Kanxa) joined the worship service. They are interested to accept Christ as their LORD. Please join us praying for them.

I also want to give you an update on the finances of Full Life Training Center. Right now, we receive \$ 65 each month and some one - time gifts throughout the year to support this ministry. Praise Jesus for providing these resources! This amount comes from donors in the U.S. and the offerings of church members. These contributions help us keep the ministry going, but to continue all that we do, we need \$500 every month. Would you please consider supporting Full Life Training Center financially each month? Thank you for prayerfully considering. To give please click the link below.

- \$50 provides an environment to share the love of Christ by tutoring children to read and write.
- \$100 covers leaders' monthly expenses
- \$100 helps to share the Gospel with 7 to 11 young people on a weekly basis.
- \$150 provides financial help to begin microbusiness

Additionally, I have prepared a short PowerPoint presentation about the Full Life Training Center ministry. I would like to ask if you can help organize a virtual meeting with some of your friends. In the meeting, I can lead a short Bible study and share my presentation. Or if you think it's better, I can simply share about myself and the ministry. At the end of the presentation, I would like to invite the guests to support the Full Life Training Center through prayer and financial contributions. Thank you for considering this request. I look forward to hearing from you.

Blessings,
Santosh Khatiwada
