

Evangelistic opportunities:

73 people were exposed to the stories of Jesus as they studied conversational English at Santisuk English School (SES), our partner ministry, in January 2025 session.

Pueng, one of Boyet's students in Level 5, wrote an essay about a difficult question. And let's pray that she, and many others, will seek and find Jesus as the ultimate answer to their life's difficult questions.

We appreciate
your prayers for ...

Good health. As of today
(1/30/25) the air has reached a
high level of pollution and
PM2.5 (very fine dust) levels are
expected to surge again over
the next 7 days.

We appreciate your prayers for ...

- **Our language study that will start on Feb. 3, 2025.**
- **It's BSOP's policy that our first two years involve concentration on language and culture acquisition. These are critical foundations for long-term ministry engagement so that we can be more effective in sharing the gospel and discipling believers using the local language.**

Your partnership in the gospel means so much to God and to us!
