

January 2025

We thank the Lord for another year of Discipleship. Our participation in the mandate of making disciples continues on.

Please pray for our ongoing music classes.

2. Prison Ministry.

Pray for the 2 Thai leaders who are taking care of the discipleship inside. They are faithfully serving by leading bible study though they are recent believers. Pray for their spiritual growth and family members to see their transformation in Christ.

3. Campus Ministry.

Pray that they may experience the true love of God as we continue to serve as role model to our students.

5. Home visitations.

Pray that another home Bible studies this year.

Pray for our preaching and teaching activities.

Pray for the Bible school students for spiritual growth, wisdom and the heart to serve.

Pray as we continue teaching and preparing for classes.

We praise the Lord as we continue to obey Him, sending and going knowing that He is with us.

Serving on,
