

Following yesterday's earthquake, panic spread across Bangkok as residents feared potential aftershocks. Many people evacuated high-rise buildings and chose to sleep in parks for safety. Social media was flooded with videos of swaying buildings, further intensifying concerns. Authorities assured the public that structures remained stable but urged caution. Despite these reassurances, fear lingers. Many of these individuals lack the assurance of salvation—they need God in their lives.

# Praises

- We praise God for the 55 students we had in March. We enjoyed wonderful fellowship with some of our students during our 18th wedding anniversary last Sunday and at our class session-end party.

- We praise God for Mr. Natdanai (Dou), who graduated from the Bible Seminary last February. He can now assist Pastor Don with preaching and discipleship regularly in the church. Carol was teary-eyed when she saw Dou receive his certificate. We are praising God for how He is working in his life.

- We praise God for sending us American teachers for the February session, Dr. John Easterling and the March and April sessions, Dr. Dennis Nordine.

# Prayers

- Please continue to pray for more prayer and financial partners as we share the gospel of Christ with the Thai people.
- Pray with us that we can build good relationships with our students. Most of them have already heard the gospel, and all of them have been exposed to Jesus' stories in the classroom.
- Pray for the salvation of the seekers who are spending time with us, especially those who regularly attend our Sunday worship.
- Pray also that we will have new students who are interested in joining our Sunday cell group worship and fellowship.
