

It Is Not Over Yet

Young people send off fellowship

Firm Foundation Church send off prayer

The LORD's lovingkindnesses indeed never fails. For His compassions never fail. They are new every morning; great is Your faithfulness. The LORD is my portion, " says my soul, therefore I have hope in Him.

Lamentations 3:22-24

This term might be over, I will be serving my home assignment for three months in the Philippines but God has not over yet - in me and in His church in Anlong Veng. While I was driving my motorbike to the church to spend my last Sunday with them, as I was looking back for this term, sure enough, I had my personal and ministry share of valleys but all I could surely see is the Lord's faithfulness time and again.

Praise the Lord for the souls who came to know the Lord; the time have spent to disciple the youth in His Word and in His service , the opportunities to edify the church by the power and guidance of the Holy Spirit.
