## PRAISE THE LORD!

**YOUTH CAMP 2025**

Praise God for the successful youth camp! There were 22 campers- believers and seekers, who joined this summer and learned more about the love of Jesus Christ through songs, sharing and testimonies.

Praise God for the young people whom He has provided, giving me more opportunity to continue practicing my Thai language skills as we talk about life, school, their hobbies and their growth in faith.

Praise God for the 6 youth from the South who have decided to follow Jesus and be baptized.

**BAPTISM**

Praise God for the lives of these team in the South who have committed to learning how to play music. Em and Ply can now join in playing music as part of the worship team.

## FOLLOWING JESUS

*Em and Ply, who both grew up with separated parents, often believed that the ones who left them didn't love them enough to stay. But encountering the love of Jesus- a love that never abandons, never gives up, never fails and sacrifices to pay for the penalty of their sins- has filled them with healing, forgiveness, hope and new life in following Jesus. Pray that more Thais will encounter the perfect love of Christ and choose to follow Him.*

## PRAYER REQUESTS:

- Pray for our English classes at Santisuk in the upcoming May session, as I am now back in Bangkok to help teach at one of the Santisuk branches. During this April session, Santisuk Phahonyothin had a wonderful number of 80+ students enroll and continue to hear about the stories and miracles of Jesus Christ. Pray that next month's classes will continue to open hearts to His truth.
- Pray for our upcoming Friendship Camp, happening May 10–12. Pray that more Thai students will decide to join and that their hearts will be open to know more about Jesus Christ. Pray that lasting friendships will be built through this camp, rooted in God's love.
- Pray continually that I will be able to reach full financial support. Praise the Lord, I am currently at 76% of the monthly budget needed to continue serving through 2026.
