

## How to Stay Young—Dennis Nordine

Feb. 26, 2025

I have found a way to skip birthdays!

On **March 1** at about noon I (Dennis) will be taking off from O'Hare airport in Chicago for Thailand. About 25 hours later I'll be meeting BSOP missionary Jezreel "Don" Estrella. You would think it should be early afternoon **March 2**, but it will already be **March 3**! I'll skip March 2 (my birthday) by crossing the international dateline! Do you suppose I'll look a year younger???

I have the privilege of spending **March and April volunteering at Santisuk English Center-Ladkrabang** which was started and is still led by Don and Carol Estrella.

A few weeks ago I read that they needed a native English speaker to join them in Ladkrabang, Bangkok for March and April. I felt God prompting me to consider going. Several days later I heard a pastor quote **Isaiah 6:8**, "Then I heard the voice of the Lord asking: Who will I send? Who will go for us? I said: Here I am. Send me." That's when I said, "**Yes.**"

Please pray for us.

+ **Pray for Melody staying in Michigan.** It's been a snowy winter. Her passport is being renewed, but not available now to join me. She also has several commitments for ministry in Michigan during March and April. **Pray that God will use her greatly in Michigan.**

+ **Pray that Dennis will get over jet lag quickly.** Classes at Santisuk begin March 5.

+ Pray that **Santisuk students** in all of the centers will be **open to the Bible** truths they hear every class session.

+ **Pray for our staff in Santisuk English Center-Ladkrabang.** There have been several students who are seekers in the past few months. Pray that they will keep moving closer to Jesus and **choose to become lifelong followers of Him.**

+ Pray for **good health** for all of us serving in Bangkok. **Air quality has been extremely poor** for the past few months.

Onward,

Dennis & Melody Nordine
