

Easter Sunday Message 2025: The Raised Christ

Celebrating the Resurrection of Christ!

Today, Christians all over the world are joyfully celebrating the resurrection of our Lord Jesus Christ. Each celebration carries a unique message that resonates deeply with believers and strengthens their relationship with God, who sent His Son as a sacrifice for our lives.

As Christians, we should take pride in our walk with the Lord, recognizing that He became our ultimate sacrifice. As a Lutheran pastor at Christ Lutheran Church in Mukono Kabembe, Uganda, I encourage believers to place their lives in Christ, for He is the essence of life.

In 1 Corinthians 15:19-26, we are assured that Christ has risen. While those who lived during Adam's time faced death, those who have died in Christ are alive. This guarantees us that Christ will reign until He has put all His enemies under His feet.

As we celebrate Easter this year in 2025, let us remember that our hope in Christ will never disappoint us. He has promised in Isaiah 65:17-25 that He will create new heavens and a new earth, and that the former things will not be remembered.

With the resurrection of Christ, we are reminded that our old ways have passed, and all our sins have been forgiven. Just as Jesus said on the cross, "Father, forgive them," let us embrace this truth.

Wishing you all a blessed Easter in 2025.

Amen.

Rev. Dean James Akuwa

Dean, Central LCU.
