

To our dear friends who have prayed, and supported the work in Gorkha

### Children are gift from God

Mr. Amos Praja was just a four years old baby boy when he was welcomed to the New Light Children Home seven years ago. Now, he is 11 years old and growing in the LORD. His father died in a foreign country while working in a factory. Mother left her alone and seventy years old grandmother took care of him. But it was not an easy to provide for him the needs; food, and shelter because they owned nothing and were staying in the land provided by the government. Manager Mrs. Ruth Magar came to know about Amos through one of the local pastors in Manahari Chitwan. And with her wisdom, and recommendation, board welcomed Amos at home. What a gift God gave us Amos in this small and precious community.

In order to provide food for this God's chosen community, some amount is needed. Every month \$215 is needed for rice, lentil, oil, meat one time in a week and vegetables for 16 people. And \$ 50.35 is needed for managerial work, like travel, documentation, and phone calls. We invite all our friends to support this ministry through prayer and financial contributions. Thank you for considering this request. I look forward to hearing from you. To give follow the link given below.

Additionally, I have prepared a short PowerPoint presentation about the Full Life Training Center ministry. I would like to ask if you can help organize a virtual meeting with some of your friends. In the meeting, I can lead a short Bible study and share my presentation. Or if you think it's better, I can simply share about myself and the ministry. At the end of the presentation, I would like to invite the guests to support the Full Life Training Center through prayer and financial contributions. Thank you for considering this request. I look forward to hearing from you.

Blessings,

Fellow worker Santosh Khatiwada and FLTC Nepal Team.
