

Gorkha Ministerial
Preaching Workshop
PS Santosh Khatiwada, PS Simon Shrestha and PS JirSing Tamang
Date: May 4 -5, 2025
Venue: Sirdi Church, Gorkha

It was wonderful to see 27 pastors coming together and sharing their experiences and habits in crafting a sermon. We thanked God for giving our participants a safe travel. Also, we are thankful for the beautiful weather, food and fellowship. I was amazed to hear that Ps Bir Bahadur Tamang is in pastoral ministry since 40 years. Three times he was sent to prison for converting Hindu people to Christian faith. By God's grace he was released and continued pastoral work in his own village. He preaches three sermons (three times) in a week. And crafting a sermon more pastorally. It was honour to add two other 'Horizons' in preaching; a) Historical and b) theological. He appreciated the workshop. Now, the goal of this preaching workshop was achieved in a way that Pastors relearned to organize and evaluate steps in crafting a sermon. Finally, we are looking forward to have follow up half day mini workshop after two or three months if God willing. Thank you for your gospel generosity.

Here are some photos story with how we used our resources that God provided for this workshop.

We had a blessed preaching workshop for the pastors in Gorkha Municipality 14. We enjoyed good weather, delicious non veg food, Curd and fruits. Moreover, we had an amazing fellowship with each other.

Thank you.
