

COLLABORATE FOR DEVELOPMENT MISSION UGANDA **BALAWOLI MEDICAL CLINIC NEWSLETTER: July 2025**

Your Support Makes a Difference in Our Community's Health

Dear friend in Christ,

Grace and peace to you. For five years the Balawoli Medical Clinic has been a beacon of healing and hope in our community. Founded by **Collaborate for Development Mission Uganda (C4DMU)**, our clinic serves the vulnerable children around Mt. Olivet School and the surrounding villages, many of whom would otherwise go without essential healthcare.

Just as Jesus healed the sick and welcomed the little ones, we are committed to making quality, compassionate medical care accessible to all especially the poor, the sick, and the forgotten.

Galatians 6:2 reminds us, "Carry each other's burdens, and in this way, you will fulfill the law of Christ." Today, we invite you to join us in carrying the burdens of our community.

Why Your Support Matters

Your gift, big or small, helps us:

- Treat illnesses in children and families
- Train and support our dedicated medical team
- Purchase essential equipment and life-saving drugs
- Expand our outreach and improve lives physically and spiritually
- Complete construction of the clinic and staff quarters

1. **Windows and Doors for clinic: \$600**
2. **Medicine and Staff support: \$350 every month**
3. **Land for expansion (2 acres @ \$5,000 each): \$10,000**
