

DISCIPLING FOR DEVELOPMENT JAN-JULY 2025 NEWSLETTER

Please allow me to share with you this update about our ministry!!

BACKGROUND

Discipling for Development (D4D) Navigators training centre is located on plot 31/33 Wanale Road, Senior Quarters, Mbale city, Uganda, working in Uganda in Elgon Zone, Busia district, Busoga Region, North and West Nile regions. It is registered with the Uganda National NGO Board with Reg. No. S5914/270. Discipling for Development is a community development approach that integrates Evangelism/Discipleship with Development at grass root levels in the community. D4D Uganda also trains & mentors other Christian leaders to do this.

OBJECTIVES

- 1) Church and Christian NGO leaders adopt the culture of a Wholistic Development approach to Missions and Discipleship.
- 2) People in communities able to identify and solve their own problems.
- 3) People in the communities economically empowered through their self-initiated Income Generating Activities (IGA).
- 4) Evangelical Church & Christian NGO leaders trained through Whole-life discipleship trainings; - foundations, skills I & II and applying the knowledge attained to carry out ministry.
- 5) Improved agricultural food production & security, general health, income generation and spiritual health.
- 6) Saved and disciplined people in the communities.
- 7) Youth empowered with life skills
