AUGUST 2025 NEWSLETTER

This month we highlight the Balawoli Vocational Institute: Empowering Lives, One Skill at a Time

Dear Friends and Supporters in Christ,

Greetings to you in the name of our Lord Jesus!

We give glory to God for the continued growth of **Balawoli Vocational Institute**, now in its **sixth year** of offering **lifesaving skills and hope** to vulnerable youth in our community. With your prayers and generosity, we have been able to train students in:

- **Tailoring**
- **Welding**
- **Hairstyling**
- **Many other employable vocational skills**

Our students include **orphans, single mothers, teenage mothers, and school dropouts**, many of whom live with elderly grandparents and have no other source of help. Through the support of **Collaborate for Development Mission Uganda (C4DMU)**, we have helped hundreds of young people reclaim hope and dignity through skills training.

We Need Your Support Now More Than Ever:

Every gift—large or small—makes a lasting difference. Your support helps us:

- Provide **instructional materials** for both students and instructors
- Conduct **training workshops** for our instructors
- Pay **monthly salaries** for our dedicated teaching staff
- Cover **basic administrative and communication costs**
- Complete the **construction** of lecture rooms, the administration block, and staff quarters

Current Needs & Prayer Requests

- **Improvement of classrooms – \$800**
- **Monthly staff support – \$400**
- **Land for expansion (2 acres @ \$5,000 each) – \$10,000**

Our **long-term vision** includes building permanent classes, and well-equipped facilities that will allow us to serve more young people, especially in rural and hard-to-reach communities.

From the Principal – Mr. Waiswa Charles

"Balawoli Vocational Institute stands as a beacon of hope for the hopeless. Every skill we teach is a seed of transformation sown into a life that matters. Thank you for believing in this mission."

From the Director's Heart – Rev. Akuwa James

"We do not just serve with tools and training—but with faith, compassion, and the healing love of Christ. Every life we touch reflects His grace. Let's continue to walk this journey together."

We kindly invite you to consider becoming a **monthly donor** or one-time partner in this great work. **Together, we are empowering the next generation to create jobs, not just seek them.**
