

SEPTEMBER 2025

ADULAM MINISTRIES

CIUDAD JUÁREZ, CHIHUAHUA, MÉXICO

Summer at Adulam

Summer has been an exciting time at Adulam Ministries. We are looking back gratefully on a mission trip south to Baborigame over Easter, where we had the privilege of ministering to hundreds of children and families. Two kids from the children's home, Brian and Maya, graduated from junior high school in June. This is a great accomplishment in our neighborhood in México, where public education can be costly and often difficult for parents to support from both an economic and academic standpoint. We are so proud of both of them!

The summer rainy season in Juárez has brought destructive flooding to our region. While the children's home has suffered only minor water issues, many neighbors have been affected and have lost homes and belongings. We appreciate your continued prayers for our neighborhood.

ADULAM NEWS

There is always a project to be completed around the children's home. This past month, Adulam staff and friends finished painting the interior of the home. This together with the exterior paint job that was completed

in the spring have given the home a nice, fresh feel.

We have had many friends reach out to ask us about the situation here on the border in light of recent shifts in national and local policies. Thankfully, we have been able to continue our cross-border ministry without interruption, and life in Ciudad Juárez/El Paso has continued for us. Of course, we appreciate your prayers for a continuation of this stability, as well as for our many friends in the region who depend on the ability to access both cities on a regular basis.

MEET CHRISTIAN

Christian is 6 years old (he will turn 7 in December). He and his older brother came to live at Adulam Children's Home in August of 2022. He is in 2nd grade and enjoys school. Adulam staff is working with Christian on some

needed academic skills, and he looks forward to being able to read very soon. Christian loves to play outside with his friends at school during recess as well as with his friends from the children's home. He also likes to play with legos to make all kinds of shapes and designs. When he grows up, Christian says he might like to be a teacher some day.

Pray for Adulam

- We are beginning to prepare for our November mission trip to the Sierra of Chihuahua (the mountain region south of Juárez). Pray for wisdom in preparations as well as safety and fruitful ministry on the trip.
- Please continue to pray for our neighborhood and our region during these rainy months. Many friends have been affected by regional floods. Pray for safety as the rains continue through August and September.
- Pray for continued safety and stability in our border region. We live, work, and do ministry on both the U.S. and Mexico sides of the border and depend on being able to cross the border with ease.

Dios les bendiga
(God bless you),
The Salazars
