KAMULI-BALAWOLI COMMUNITY – BALAWOLI MEDIC CLINIC

Continuing Our Mission: October 2025 Update

Dear Friends in Christ,

Grace and peace to you!

As the months go by, the *Balawoli Medical Clinic*, founded by **Collaborate for Development Mission Uganda (C4DMU)**, continues to shine as a **beacon of hope and healing** in our community.

Each day, we are reminded of God's calling to care for the sick, comfort the suffering, and serve the forgotten just as Jesus welcomed the little ones and brought wholeness to the broken.

Our clinic stands beside the children of *Mt. Olivet Care View School* and the surrounding villages, many of whom would otherwise go without essential healthcare.

We hold fast to the words of **Galatians 6:2**:

“Carry each other’s burdens, and in this way, you will fulfill the law of Christ.”

Through your prayers, partnership, and generosity, we are truly carrying these burdens together.

Your Impact in Action

Every gift, every prayer, and every note of encouragement help us continue this ministry of mercy. Because of your faithful support, we are able to:

- Provide **medical care for children and families** in need.
- **Purchase essential medicines and equipment** that save lives.
- **Reach out to surrounding communities** with both physical and spiritual healing.
- **Make progress on construction** of the clinic as a way of creating a lasting home for compassionate service.

Current Needs & Prayer Requests

As we look toward the future, we remain committed to building a **permanent medical facility** and **housing for our dedicated staff**. These steps will allow us to serve more people and offer care in a safe, sustainable environment.

We invite you to join us in prayer and partnership to meet these pressing needs:

1. **Windows and doors for the clinic:** \$600
2. **Medicine and staff support:** \$350 per month
3. **Land for expansion (2 acres @ \$5,000 each):** \$10,000

Directors' message: Join Hands with Us!

Every prayer whispered, every dollar shared, and every act of love brings healing and hope to someone who needs it most. Together, we are not just building a clinic **we are building a testimony of God's love in action.**

Thank you for continuing this journey with us. May God bless you for standing with C4DMU in bringing life, light, and hope to our community.

With heartfelt gratitude,
