HELP BABY GRANT SMILE AGAIN!

NOVEMBER 2025 NEWSLETTER

Dear friends and partners in ministry,

Grace and peace to you all.

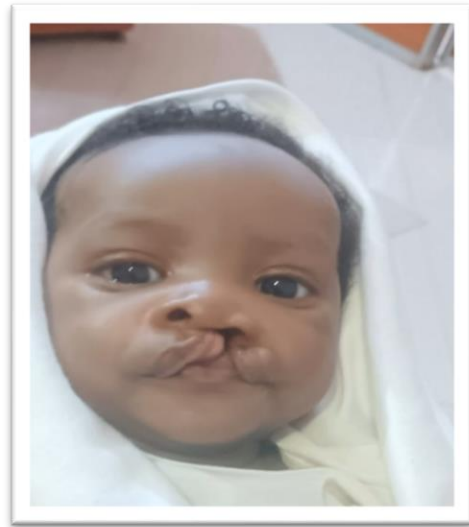

We write to share the touching story of Baby Grant, a precious child whose journey has deeply moved our hearts. Baby Grant was born with a cleft lip and palate, a condition that affects his ability to feed and develop normally.

His doctors have recommended two surgeries — the first to repair the cleft lip when he reaches three months and a weight of 6 kilograms, and the second to follow as part of his recovery and full healing. These surgeries are scheduled for November 15 & 16, 2025.

Baby Grant is the beloved son of Rev. James and Jane Akuwa, who serve faithfully in Uganda through Collaborate 4 Development: Mission Uganda (C4DMU) — a ministry working tirelessly in rural communities of Kamuli, Eastern Uganda, to bring hope, education, and healthcare to many families in need.

Now, this family needs our love and support. **The total cost for Baby Grant's medical treatment and surgery is \$2,200 USD.** Together, we can make this healing possible.

Your gift, no matter the size, will bring joy and hope to Baby Grant and his parents. Imagine the day when his smile is whole — a symbol of the love and compassion of friends like you who cared enough to help.
